YOUR donation is IMPACTFUL

The needs in our community are vast. In this year alone, thousands of asylum seekers fled their country looking for protection and an opportunity.

Our HACES Case Worker, Ivan Lezama states:

"A vast majority of asylum seekers come from Colombia, Honduras, Venezuela, Nicaragua, and Peru. In general, I have seen asylum clients from many countries such as Guatemala, El Salvador, Mexico, India, Russia, Ukraine, Belize, Panama, Dominican Republic, Ecuador, Bolivia, and Costa Rica."

You have 1 DAY LEFT to double your donation! Every new dollar that's raised before tomorrow will be matched by the Healthcare Foundation of Northern Lake County. Immigration is a complex and often challenging journey, and HACES is at the forefront, offering essential services such as legal assistance, benefits counseling, community outreach and education. Our impact extends beyond paperwork; it transforms lives, reunites families, and helps build a stronger, more diverse community. When you make a donation to HACES, you become part of a movement that believes in the transformative power of compassion, unity and a respect for human dignity.
