As we bid farewell to another remarkable year, we want to express our deepest gratitude to every one of you who played a vital role in making it a year of triumphs and accomplishments at HACES. Your unwavering support has fueled our mission to provide immigration and support services to those in need.

Here are a few key 2023 accomplishments:

1. Expanded Immigration Services: We have extended our outreach initiatives, reaching more communities and ensuring that individuals in need are aware of the valuable services we provide. Because of increased grant funding, we've been able to add to our legal services to include asylum, TPS, U visas and VAWA.

Between January 1 and December 31, 2023: HACES Immigration Case Workers helped 214 individuals submit applications for asylum.

On January 24th, an HACES client received a COVID relief stipend through the Immigrant Family Support Program (IFSP).

2. Empowered Immigrant Families: Through our legal and health programs, we have empowered countless immigrant families to navigate legal processes, access resources, and build a stronger foundation for their futures.

Between January 1 and December 31, 2023: Our Immigrant Family Resource Program (IFRP) assisted 330 individuals determine their eligibility for state benefits programs.

3. Community Engagement: Our success is not only measured in achievements but also in the sense of community and solidarity that your support fosters. Throughout the year, we have witnessed the incredible strength that comes from individuals coming together to make a difference.

Between January 1 and December 31, 2023: HACES' Parent Mentors volunteered over 5,700 hours in five elementary schools in Waukegan.

As we reflect on the challenges and triumphs of the past year, we want to extend our heartfelt gratitude to each donor, volunteer, and supporter who has been part of our journey. Your belief in our mission has been the driving force behind our success.

Looking Forward

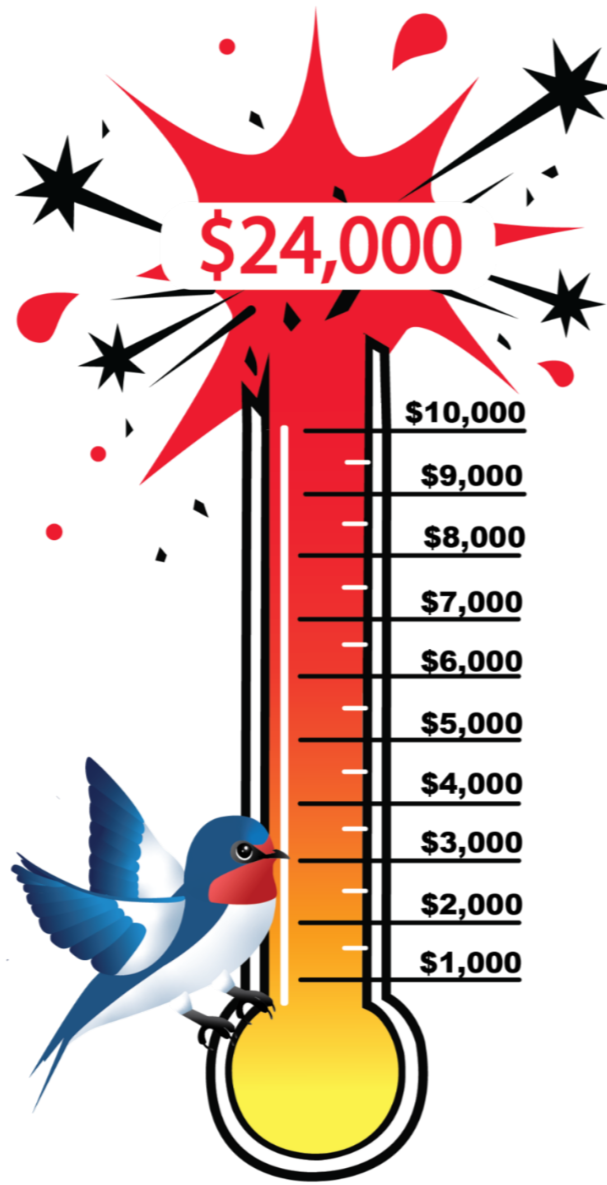

With the momentum gained in 2023 combined with your continued support, we foresee a future where our immigrant communities thrive and flourish.

Thank you for being an integral part of HACES. Together, we are making a lasting impact, one individual and one family at a time.
