### Amplified Impact:

At HACES, we know that collaborations are the cornerstone of creating lasting change. These alliances amplify our impact, broaden our reach, and bring diverse perspectives and resources to the table. Working with community organizations across different regions allows us to understand and address local needs more comprehensively.

When we partner with like-minded organizations, businesses, and individuals, we combine our strengths and resources. These collaborations enable us to achieve more than we could alone. Below are just a few examples of the way HACES is extending its reach through partnerships:

### Avon Township

Partnerships help us extend our geographical and demographic reach. This year, our partnership with Avon Township has enabled us to launch our programming in Round Lake. HACES staff can be found at the Avon Township offices on Wednesday's from 8:30 - 4:00.

### Erie Family Health Center

Erie Health Center, in conjunction with Northern Illinois Food bank, distributes groceries to families in need all year round. Erie has invited HACES to provide information about our programs and services during these food distribution events.

### One Hope United

One Hope United provides comprehensive child development services for children ages six weeks - five years, including children with diagnosed disabilities or special needs. Through a partnership with HACES, One Hope United will enroll families referred from HACES, if age and income eligible. One Hope United will also refer eligible families for services at HACES; they will also provide training to staff on services and child development.

### Looking Ahead

As we move forward, we remain committed to fostering and expanding our network of partnerships. We invite you to join us in this mission, whether as a community organization, or individual supporter. Together, we can build a brighter, more equitable future.

### HACES Staff Reaches Out to the Community!

As we move forward, we remain committed to fostering and expanding our network of partnerships. We invite you to join us in this mission, whether as a community organization, or individual supporter. Together, we can build a brighter, more equitable future.

### Help us Help More People!

We appeal to everyone who supports our mission, like you, to help us to do more by donating to our cause. Please check out what's new on our website at <https://haces.org/donate/> and give what you can. We appreciate it and so does the community we serve!
